INTEGRATED PETROLEUM Oil & Gas Field WLL

QUALITY MANAGEMENT POLICY

Doc. code : IP-POL-01

Revision : 01

Issue Date : 22-11-2020

We, at the Integrated Petroleum Oil & Gas Field is committed to "Supply of Pipes, Fittings, Flanges, Valves, Bolts, Gaskets, Plates and Ancillary Components."

To help deliver on our mission, we have developed and deployed a comprehensive yet pragmatic Quality Management System, which subscribes to all applicable legal & other requirements, and complies with the requirements of ISO 9001:2015, thereby ensuring that we:

- ❖ *Fulfill the commitments made to the internal and external customers in an effective and efficient manner, exceeding their expectations.*
- ❖ *Enhance customer satisfaction by delivering professional service in a timely, accurate and reliable manner.*
- ❖ *Establish SMART (specific, measurable, achievable, realistic and time bound) objectives.*
- ❖ *Allocate necessary resources and provide the required training to all employees.*
- ❖ *Ensure all interested parties are aware of our quality policy, objectives, and procedures & communicated, understood and applied within the organization and be available to relevant interested parties, as appropriate.*
- ❖ *Are committed to the continual improvement of our Quality Management System, and involve our employees, customers, suppliers and all interested parties in activities to help achieve this.*

Meeting these high standards is the responsibility of the entire Integrated Petroleum Oil & Gas Field team. We have a shared commitment to the effective operation of the Quality Management System, and to the achievement of this Quality Policy and the Objectives derived from it.
